

Dear Parents and Guardians,

Thank you for your interest in attending Trinity Preschool! Enclosed in this registration package you will find:

- Preschool registration form
- Pre-authorised payment form
- Preschool handbook

Our preschool program is a place for your child to explore, discover and play. With an inquiry-based approach to learning, children are provided a hands-on environment that is rich in literacy, math and science. Focusing on the natural curiosity of children allows us to inspire their growth and development through play and exploration.

Our classroom is a stand-alone building dedicated to our preschool program. We are looking forward to the development of an attached outdoor classroom in the near future. We also make use of the church property throughout the year. To book an appointment to view the preschool, please contact 780-464-4040 (ext 305 or 309) or send us an email info@trinitybaptistpreschool.ca.

If your child has any special needs, please contact our Preschool staff prior to registration to discuss our program and assess how we can help your child succeed.

To learn more about our program, please contact the Preschool or Trinity Baptist Church office (780-464-4040), visit our website ([www.trinitybaptistpreschool.ca](http://www.trinitybaptistpreschool.ca)), or check us out on Facebook (@trinitybaptistpreschool).

Sincerely,

Kimberly Barber (Trinity Preschool Head Teacher)

Ashley Winkel (Trinity Preschool Director/Pastor of Children and Family Ministry)
