

... "How beautiful are the feet of those who bring good news!" (Romans 10:15)

NAME: \_\_\_\_\_

Cut along this line to create a path for the chariot.

**Basic Instructions:** Color the picture of Philip in the desert. Philip used his feet to run and tell the good news about Jesus to a man in a chariot. Recite your verse, Romans 10:15. This is the good news: Jesus died for our sins and came alive again. Everyone who trusts Him as Savior will be saved from sin and will be alive with Jesus forever in heaven someday.

**Even More Fun:** Color the chariot from your leader. Glue the chariot to the road on your picture or onto the top of a craft stick.

**Ultimate Fun:** Cut along the dashed line on your sheet where indicated. Insert the craft stick with the chariot on it into the slit. Hold the stick from behind and move the stick from one side to another so it appears to move down the road.
