

Junior and Senior High Youth:

It's that time of year! We are planning for our 2021 Summer Trip to Lake of the Ozarks – **June 20-24, 2021!** Pastor Jim & I are hopeful that this summer's trip can happen safely and are looking forward to spending time with you! As with most events being planned right now, everything is fluid and there is a possibility of cancellation. We will be keep you updated as we move forward!

Because there are so many of us, this year we rented TWO houses side by side! We will be staying in Osage Beach, MO – both houses right on the lake. We will have our own docks with kayaks, lily pads, a great swimming area and lots of room. The homes together sleep 30 in beds, but they have the capacity to sleep mor than that, using blow up air mattresses. They are both large houses, so we'll be able to spread out! If you are interested in seeing it, it is VRBO Property #2147921.

This is our tentative schedule:

Sunday June 20:           Leave after worship  
                                  Travel to Lake of the Ozarks

Monday June 21:           Junior High Dock/Swimming Day  
                                  Senior High Boating Day

Tuesday June 22:           Large group tourist day (potential spelunking or hiking)

Wednesday June 23:       Junior High Boating Day  
                                  Senior High Dock/Swimming Day

Thursday June 24:         Travel back to Omaha, arriving early evening

Since we have a lot of siblings in our youth program, the cost for this trip will be tiered.

\$300/child if you one have one child attending.

\$250/child if you have 2 children attending.

\$200/child if you have 3 children attending.

Scholarships will be available – please talk to Kelsey or Pastor Jim prior to registration if you need assistance. **A \$50 deposit per child is due at registration** to hold your place on the trip. The remaining balance will be due at the time of the trip. You can pay online, with cash or check.

A detailed packing list and itinerary will be headed your way in May.

If you have any questions, please contact Pastor Jim or myself. We hope you can join us for one of our favorite trips!

Peace,

Kelsey Ellis
