COVID-19 Protocol Update March 2021

Hello folks, Pastor Andrew here from Evangel Bathurst and we want to update you regarding the recent change to our province's Yellow Phase of COVID-19 recovery. That is super exciting because we want to invite you to come on back to live worship together with us. We've been restricted in Orange Phase as to how many people could be in the building. We are still somewhat restricted, but we are able to have up to 50% capacity in the building with physical distancing with us. That means we are able to fit about 90 to 100 in the building, but that is enough to have most of you come back and join us for live worship here on site. We are super excited about that especially because we are actually able to SING this Sunday! So we want you to prepare your best singing voices so we can raise the roof as we join our voices together in worship of our good God!

We need to continue to wear masks (unless you have a medical exemption) and practice physical distancing etc. We want to assure you that we will continue to follow our operational plan: we will continue to practice contact tracing, continue to sanitize the washroom after each use, and continue to sanitize the sanctuary seating, etc. We want to encourage you that if you are feeling ill with potential COVID-19 symptoms, to stay home, rest, and get well before joining us.

Also, we want to let you know about some of our Easter plans. We are anticipating a great turnout for our Easter celebration, and to accommodate this, our board and ReStart Task Force, which oversees our COVID-19 Operational Plan, have decided that we will hold TWO Easter Sunday morning worship experiences. Each one will be one hour, one at 10am and one at 11:30. We will need you and your family to register ahead of time so we know which one you plan to attend. Registration will be online, by sign-up list on Sundays, or by calling the office through the week and leaving a voicemail. We hope to not only see all of you, but those you invite to join us for this special occasion! Let's fill both Easter services!

We want to welcome you back! Online worship will always be an option, but we know that many of you have been isolated for long enough and are ready to join us live once again!

God bless!
Pastor Andrew
