SERVE

Dear Applicant,

Serve is an incredible opportunity for WBC Youth to unite with other youth from our denomination in Western Canada. As separated yet united group we will be able to serve our own local community. This will be a chance for you to grow as an individual and in your relationship with Jesus. As a group we will have a chance to build relationships, worship, learn, be challenged, serve other people, have fun, and see new parts of our broad community in Calgary. Before applying, I want you to seriously consider why you want to come, and what it is you hope to get out of this experience. You are asked to answer some simple questions, because I want you to have ownership and investment in the whole experience. As you consider your responses, be honest with yourself, your parents, and with me. Whatever your reasoning, you will experience the most growth if you approach this opportunity honestly.

Much Love,

Tash Ingram

Application Waiver

I understand that I should only attend SERVE+ if I desire to grow in my experience of learning about and to serve God and others.

I understand that should I be accepted to participate in SERVE+, I am committing to the entirety of the experience.

I will participate fully and with a positive attitude in all preparation for, and during SERVE+.

The cost of SERVE+ is significantly smaller this year, so we will not be doing group fundraising this year. By signing, you are committing to covering the $200 cost yourself. Individuals may do a letter writing campaign to support themselves. If the cost remains prohibitive, speak with Tash directly

Should any issue arise including but not limited to, need to cancel, conflict with other team members, risk to yourself or someone else, etc. In all things I will communicate openly and honestly with the Team Lead and leaders.

I will respect all of those who are placed in authority over me. Without risking my safety, I will listen and participate to the best of my ability.

I will respect all participants as well as the community we enter into, recognizing that I am a guest in the community.
