Prayer Guide

April 2021

THINGS OF FIRST IMPORTANCE

Let me remind you, dear brothers and sisters of the Good News I preached to you before. You welcomed it then, and you still stand firm in it. It is this Good News that saves you if you continue to believe the message I told you...I passed on to you what was most important...Christ died for our sins, just as the Scriptures said. He was buried, and he was raised from the dead on the third day, just as the Scriptures said. 1 Cor. 15:1-4

In our day and age, it is vital that we are reminded of what is most important. There are a lot of things that clamor for our attention. Many of them are good and needful. Some are mere distraction. In the cacophony of voices attempting to reach our ears we must attune to the voice of God, and intentionally come back to things of first importance regularly.

1 Corinthians 15, that glorious chapter on the resurrection, opens with these reminders of first importance. And this month kicks off with our celebrations of the passion week, Good Friday, and Easter Sunday. I hope as you pray through this calendar you will also ponder, meditate on, and be in awe of the Good News again. We have a tendency to let it grow stale. To forget. To put in on the back shelf. To know and recite the words but not really revel in it. This month, I pray that we would bask in the vast ocean of the goodness of God on our behalf and as April ends, we walk away different people because of it.

~ Neil Bassingthwaighte
