Bishop's Message

Last Thursday January 25, in the prayer cycle of the Anglican Communion, the Bishop and people of the Territory of the People are being prayed for throughout the world. I have received numerous messages from around the world assuring us of prayerful support. I felt such a lift in spirit knowing we are held in prayer at this time when our community has some challenges and I hope you felt the prayers from around the world carrying you.

We are all still trying to deal with the effect of this past summer and the many changes that has brought to the life of the Central Interior. The retirement of Danny Whitehead has caused both Lytton and Scw'exmx Parishes to start a search process for another clergy person. The sudden and serious illness of Isabel Healy-Morrow is concerning our friends at St George's and the wider community. To have the whole Anglican Communion praying for us at this time is heartwarming.

I invite you to pray at this time for all the joys and challenges that we as a community are dealing with at this time. As challenging as it may seem, we have much to give thanks for at this time. Here are some of the things that come to mind for me:

- My time away this Fall caused me to return renewed and refreshed with new learning.
- The incredible care and leadership by the Leadership Team which kept ministry happening in such a wonderful way. We all need to thank God for Ken Gray, Len Fraser, Isabel Healy-Morrow, Dwight Oatway and Margaret Mitchell for carrying the bulk of the leadership.
- The clergy team and Lay Ministers of Word and Sacrament (LMWS) who continue to give outstanding leadership in parishes and to the retired clergy who are so willing to give leadership as needed.
- For all who give care and support to Isabel Healy-Morrow and her family while she is in hospital.
- For all who have supported those in our community who mourn the death of loved ones.
- And the list goes on.

May we all know the blessing of a life of prayer.

Blessings,

+Barbara
