The Christian fellowship was sweet this past weekend. It was encouraging to see so many members of the church family return to worship at White Oak. Of course, our attention was drawn to the resurrection of Jesus Christ (Mark 16) this Easter. But gathering together is very uplifting and it magnifies what God commands in Hebrews 10:25 (edify one another). This past weekend the children did an amazing job pointing to the risen Savior. Their energy, talent, and program drew our attention to "Behold the Lamb of God!" A special thank-you to Glenda Carroll and everyone who worked so hard to present the drama to the church. It was a tremendous blessing!

After the service, Lauren Bissette coordinated the Easter egg hunt for the children. Please let her know how much we appreciate her labor for the Lord. She stuffed the plastic eggs, hid them, and made sure each child received an abundance of candy. Thank you, Lauren, for your labor of love. And Mrs. Nancy Brantley provided the three prize baskets for the Easter Egg hunt. As I mentioned in the service Sunday, godly women make an eternal difference for the Savior.

## This Week's Activities

The Leadership team will meet this Thursday at 6:30 p.m. Please pray for this group of men as they pray and seek the Lord's will in various matters of church business.

Also, pray for the teenagers this Friday evening. Brother Moises and Ms. Abby will be taking the group to Jacksonville NC for a youth rally at the First FWB Church.

This Sunday, the Sunday School classes will resume meeting in their classes at 9:30. We are excited to see the small groups meeting again. Please don't forget the Ambassador and Missionary Bible classes will join forces in the Missionary Bible Class. Brother Dewey and Brother Gordon look forward to teaching these mature minds. Also, the Lydia class will move their meeting location from the old sanctuary to the former Ambassador class.

## Church Family Meeting Results

The church held a family meeting to vote on the new screens for the sanctuary and continuing the progress made for the upcoming childcare. The results of the meeting are:

Motion #1) The church replaces the projectors and screens with two 85-inch televisions. If approved by church members, the implementation cost (removing the old screens, painting the wall, & installing the new televisions/cables) would not exceed \$6000.00.

Carried by 94%. Yes-45; No-3.

Motion # 2) The church to add a new childcare ministry. If approved by the church members, the childcare ministry would be named the Bailey Christian Childcare, and accept kids from 2-5 years of age. The childcare ministry would start on August 1, 2021.

Carried by 86%. Yes-41; No-5, Abstain-2
