

## ***EASTER HAMPERS***

*By Pat Brown*

Easter celebrations this year were a very busy time for our volunteers; along with our sister church of St Mary's, our Trinity Time Companion Journeying friends made an extra effort to have this year a special one for those of our community who are in need. Their output was extraordinary - not only was there a banquet of Easter fare of a traditional nature but a bounty of home baking beautifully presented, and bags of groceries, and fresh fruit and vegetables. Our talented team filled baskets with gifts of candy and luxury items such cosmetics, lotions and other little extras for adults and cartons of goodies for the children in the form of baskets containing Easter eggs, chocolate bunnies, toys and books. Some of our Church family made pretty little gift boxes by hand, decorating them and filling them with surprise treats. Needless to say several cars were needed to transport all this bounty to the pickup point.

Michelle thanked our Church family for all we have done to reach out to those in need, not only at Easter but at any time. Every Tuesday finds us in the parking lot of Holy Trinity church loading the transport with nourishing meals, groceries and other necessities. Long may we continue.

Easter
